

NSP-4602B Dual-Light Headlamp

MARKET APPLICATIONS	Law enforcement, search & rescue, aviation, industrial, automotive and hunting & recreation
DESCRIPTION	This is a battery-powered Multi-Function all LED Headlamp. Utilizing Bayco's exclusive Dual-Light™ design, this headlamp combines a tight-beam long-throw spotlight, with a wide-beam close area floodlight. Rated at 30 lumens, the spotlight beam on this headlamp is designed for distance illumination. In addition to the spotlight beam, this headlamp also has a wide-beam 15 lumens floodlight. The floodlight spreads out in a wide even pattern of light expressly for the purpose of providing illumination of areas that are close by. Additionally, both the spotlight and the floodlight can be turned on at the same time, thus allowing for dual illumination of both distant objects and ones that are close. That's the idea behind Dual Light. The unique design of the head, allows it to be tilted down for optimum light positioning. The elastic headband is adjustable and has a pair of rubberized strips around the inside perimeter that keep the strap in place. Powered by 3 included AAA batteries, this Dual Light headlamp will run for 15 hours in Spotlight Mode, 36.5 hours in Floodlight Mode and 12 hours in Dual-Light Mode.
CASE MATERIAL	Engineered Polymer - Black
DIMENSIONS	Width: 2.4 inches (61 mm) • Height: 1.9 inches (48 mm) • Depth: 1.8 inches (46 mm)
WEIGHT	Weight: 3.7 oz. (104 g) with batteries installed
LENS	Unbreakable polycarbonate with scratch resistant coating
LIGHT SOURCE	CREE® LEDs Impervious to shock with a 50,000 + hour lifetime
LIGHT OUTPUT	Spotlight: 30 lumens • Floodlight: 15 lumens • Dual-Light: 35 lumens
ON/OFF	Single Body Switch - Spotlight, Floodlight, Dual-Light
RUN-TIME	Spotlight: 15 hours • Floodlight: 36.5 hours • Dual-Light: 12 hours
BATTERY	3 Premium AAA batteries (included)
FEATURES	<ul style="list-style-type: none"> • Spotlight / Floodlight / Dual-light™ • CREE® LED technology – 50,000 + hours LED life • Spotlight beam for distance illumination • Unfocused wide-beam floodlight for close-up illumination • Dual-light (spotlight & floodlight at same time) for maximum versatility • IP-X7 Waterproof • Drop rated to 2 meters • Impact & chemical resistant • Engineered polymer housing • Single switch located on top of light • Adjustable ratchet tilt head • Includes Non-slip elastic head strap and 3 premium AAA batteries
WARRANTY	*Limited 1 Year Warranty - Product is warranted to be free from defects in workmanship and materials to the original purchaser for one (1) year from the date of purchase, and includes the LEDs, housing, lenses, electronics, switches, rechargeable batteries and chargers. Disposable non-rechargeable batteries are excluded from this warranty.
