

# 100ft 12/3 SJTW Light Strings (300V)

Designed for use on jobsites where temporary lighting is needed for illumination. These 12/3 Light Strings are heavy duty, making them ideal for construction and jobsites, fairs, and other special events. Suitable for use with A19 LED, CFL, or incandescent (150W max) light bulbs.

## FEATURES

- The 12/3 SJTW 300V Power Cord is built with conductors containing 65 strands of 30 gauge, 100% soft drawn, bunch stranded, annealed copper wire.
- Each String Light comes with insulated and grounded metal cages.
- Molded-on, weatherproof lamp holders with heavy duty insulated and grounded metal lamp guards which are spaced in 10 ft. intervals for even distribution of light.
- Our Light Strings have built in hanger holes so they can be suspended by messenger wire or hung from nails or fasteners.
- Meets OSHA specifications for 3 conductor grounded cords.
- Jacket Color: Yellow
- Light Strings are UL listed.
