

## SMS

SMS fabric is strong yet breathable to keep wearers cool and help avoid heat stress.

Our disposable SMS clothing and accessories provide three layers of protection against particulates such as dirt and dust, and light liquid splashes or sprays. The breathable fabric allows heat to escape, so you stay cooler when working long hours.

### Benefits

- Lightweight & Breathable**  
Fabric is lightweight with superior breathability that allows heat to escape to keep wearers cool and prevent heat stress.
- Three Layers of Protection**  
This durable fabric (Spunbond Meltblown Spunbond) is made of three layers for enhanced safety.
- Versatile Applications**  
Possible applications include asbestos and lead abatement, mold remediation, manufacturing, assembly operations, and more.

### SMS Fabric

Excellent dust, particulate, & liquid barrier for light splashes and sprays
