### Product Overview & Guides

KleenGuard™ Personal Protective Equipment (PPE) enables rather than inhibits – allowing for maximum productivity and safety for you and your employees. When your employees want to look good, keep comfortable and stay protected, the KleenGuard™ Hellraiser Safety Glasses (with black frame and clear anti-fog lens) are a great choice. These safety glasses feature a high-performance, durable polycarbonate lenses, which provide 99.9% UV protection (UVA/UVB/UVC). They are lightweight and stylish for men and women, and feature single lens wraparound protection that's designed for use at work or home. The flex-point temples help provide comfort and stability for use for long stretches of time. The anti-fog coating allows workers to see, even in humid environments. These safety glasses are a great choice for industrial manufacturing. When your team wants to look cool, stay comfortable and enjoy superior eye protection, you can trust KleenGuard™ safety glasses. Making the right Personal Protection choice is difficult. Perform with distinction with KleenGuard™ Personal Protective Equipment (PPE).

These KleenGuard™ Hellraiser Safety Glasses have a black frame and clear anti-fog lenses (ideal for indoor use)

KleenGuard™ Hellraiser Safety Glasses feature black frames and clear polycarbonate lenses provide 99.9% UVA/ UVB/UVC protection to help prevent eye damage like cataracts, retinal damage, and other conditions that can cause temporary vision loss

These KleenGuard™ glasses meet ANSI Z87.1+ standards; you can use them for men and women in a variety of work environments.

Comfortable eye protection helps drive compliance, so these feature flex point temples for comfort and stability

The KleenGuard™ Hellraiser safety glasses have hard coated lenses for scratch resistance and longer life

### About KleenGuard™

We understand how workers move, work, stretch and sweat. We call it human-centric engineering. And it's this industry-changing technology that separates KleenGuard® brand protective clothing, eye protection and hand protection from other PPE.
