String Knit Specification Sheet

PRODUCT DESCRIPTION:

Our multi-purpose string knit gloves come in various blends and weights. Economy, regular, and heavy weight gauge offerings are available. These gloves are suitable for general hand protection in light duty applications. The 9507S features a heavy weight 7 gauge gray 85% cotton / 15% polyester blend that is excellent for laundering and hiding dirt. Whether you select 2 sided PVC dots or single sided, you will increase the grip and abrasion resistance. The 9508LM series features a 7 gauge cotton/polyester fingerless shell with PVC dots on both sides of the glove. Whether you select 2 sided PVC dots or single sided, you will increase the grip and abrasion resistance. The 9508LM series features a 7 gauge cotton/polyester fingerless shell with PVC dots on both sides of the glove. Whether you select 2 sided PVC dots or single sided, you will increase the grip and abrasion resistance. The 9508LM series features a 7 gauge cotton/polyester fingerless shell with PVC dots on both sides of the glove.
