PREP WITH CONFIDENCE FOR THE SMOOTHEST FINISH

REGULAR FLEX NARROW BELTS AND QUICK CHANGE DISCS

- Aggressive cut, durability and flexibility along with tough low stretch backing and engineered fiber mesh offers increased performance in cleaning, blending and finishing applications
- Patented Vortex agglomerated grain technology allows for faster cut rates and smoother finishes with up to 50% better life vs. top competitive aluminum oxide technologies
- Proprietary Clean Bond resin system for cool cutting and smear free finish
- Non-loading open structure for excellent grinding, blending and finishing performance on all metal substrates
- Eliminate steps and increase productivity
