**Hanset Brothers, Inc.**  
MASTER DISTRIBUTOR

For 100 years, 1919-2019, Hanset Brothers, Inc. has worked with honesty and integrity. Founded by brothers Leon, Joe and Homer, with help from their father Emil, Hanset Bros. Mfrs. mission was to make high-quality corn brooms. Additional items that were made included whisk brooms, mop buckets and mop handles.

Using a specially developed broom corn dying process and a distinctive yellow striped handle, the Brown Beauty broom became their signature product and is still available today.

Leon's son David joined the business in 1953 following his service as a supply sergeant during the Korean war. Due to changes in market conditions, Hanset Brothers, Inc. began selling other vendors products. Adding Zimmerman Brush (now part of Carlisle), Haviland Squeegee, Golden Star, Rubbermaid Commercial products (in 1977) and other lines, the resale business eventually outgrew the manufacturing side.

Now 100 years later, Hanset Brothers, Inc. is a redistributor of over 50 lines of Janitorial & Maintenance supply products. We sell products throughout Oregon, Washington, Idaho, Alaska, Montana and Northern California to our distributor partners. Our goal is the same as it has been for 100 years; quality products, sold with honesty and integrity. We look forward to serving you.

We are pleased to offer the latest edition of our Janitorial & Maintenance Supplies catalog. This catalog contains a full spectrum of Janitorial, Industrial and Maintenance products from many of the top vendors in the market. *If you can't find what you are looking for, please ask. New items are regularly added to our inventory and non-stock items can be special ordered.*
