

RIDGID

HD1400 14 Gallon High Performance Wet/Dry Vac

Part of the most powerful line of vacs RIDGID has ever made, the RIDGID 14 Gal. NXT wet dry vac is designed to deliver the powerful suction, large capacity and rugged construction the Pros demand, now more powerful than ever with a 35% increase in performance! The 6.0 peak horsepower motor delivers the high performance necessary to handle the toughest jobsite cleanups. Other key features include; complete accessory storage, hose and cord storage, locking accessories, and extra drum handles to help lift and empty the drum. With the heavy duty 2-piece drum construction and a lifetime warranty, this vac meets the demands of Pros.

FEATURES	BENEFITS
• 6.0 Peak HP Motor	High performance vacuum with integral blowing port for added versatility.
• On-Board Hose Storage	Hose clips allow you to store your Dual-Flex® hose.
• Complete Accessory Storage	Tool caddy and caster storage provide up to 7 storage spaces for accessories.
• 2 1/2" Locking Accessories	Accessories lock together, from your hose to your wand to your floor tool, so nothing falls off when in use.
• 2-Piece Drum Construction	Provides improved, more rugged construction to meet the higher demands found on the job site.
• 3-Layer Fine Dust Filter	Captures fine dust particles such as dry wall dust.
• 2-1/2" x 7' Dual-Flex® Locking Hose	Resists collapsing and adds 180° flexibility at both hose ends. Hose locks onto vac for uninterrupted cleaning.
• Drum Handles	Extra drum handles give you more leverage when lifting and emptying the drum.
• 20' Power Cord	Provides long reach and wraps conveniently around carry handle.
• Powerful Blowing Performance	Attach hose to exhaust port to blow debris from garages, decks, sidewalks, etc.
• Included Accessories	2-1/2" x 7' Dual-Flex® Locking Hose, 2 Extension Wands, Utility Nozzle, Car Nozzle, Wet Nozzle, & a 3-Layer Fine Dust Filter
