### SafetyClean™

The convenient packaging of the Lensclean disposable dispensers allows it to be positioned close to workers and can be easily moved.

Bouton's Lensclean Tissues are high quality, made from 100% recycled fiber, are strong and won't scratch lenses.

The large dispenser (LC5000D) contains 16 oz. liquid cleaner and 1520 tissues. The small dispenser (LC382D) includes 3.5 oz of cleaner and 760 tissues.

Lensclean Liquid cleaners eliminate static with anti-fog solution and are silicone-free. Total compliance with OSHA standards. A heavy-duty, silicone-based anti-fog solution is also available.
