

Force II life Vest Orange Universal Size

The Stearns I223 Work Force II Vest is an economical commercial work vest that is made of lightweight flotation foam encased in a heavy-duty nylon shell. Aqua foam flotation foam retains buoyancy even when punctured. Coated with strong, durable, easy to clean PVC. Available with Delrin & reg; (OOC) or stainless steel (MBC) snap hooks and D-rings. Now with additional chest strap.

Features:

- Opening on back to accommodate most brands of fall protection harnesses
- Three-piece construction
- Lightweight and comfortable
- Two encircling belts with snag resistant buckles
- 3M™ Scotchlite™ Reflective Material SOLAS-grade 6755 on panels
- Self-extinguishing under ASTM1692-74

Specifications:

- Minimum 17.5 lbs. Buoyancy
- USCG Approved Type V
- Color: Orange
- Size: Universal
