

PRODUCT TECHNICAL DATA SHEET

SW085 FAST TACK General Purpose Web Adhesive

DESCRIPTION: Fast Tack General Purpose Web Adhesive is a high performance web adhesive used for both temporary and permanent bonding. Its quick, initial tack and high solids make it perfect for cardboard, foam, plastics, cloth, polyethylene sheeting and carpeting. It is non-staining which makes it suitable for bonding fabrics and upholstery. This product contains no chlorinated solvents.

USES: Use this product for your toughest adhesive applications with materials such as plastics (including polyethylene sheeting), various foams (esters, polyurethane), carpet, marine carpet, FRP, wood, cloth, cardboard, leather, various metals, and many elastomers.
