

GP1000WYH

Premium arc rated leather driver glove

A soft **premium** goatskin leather outer with full aramid stitching delivers high levels of abrasion resistance without compromising dexterity.

Superior abrasion resistance with a cut level A1 and an electric arc rating ATPV = 22 Cal/cm²

These unlined gloves are strong, pliable grain goat skin gloves that provide all-day comfort with excellent abrasion resistance and superior dexterity.

Goatskin is 10x stronger than cow skin & 3x stronger than pigskin.
