DUTY RATING

Combined Weight of User and Materials

PATENTED LOCKTOP™ DESIGNED TO INCREASE YOUR PRODUCTIVITY

LOCK-IN™ accessory system secures tools and expands ladder top

Three position anchor points prevent tools from accidentally falling while working at height

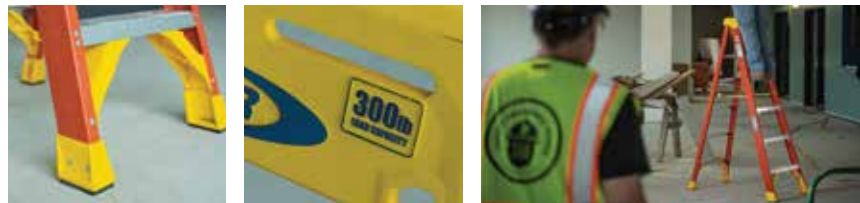

Metal plate holds magnetic accessories like flashlights & laser levels

TYPE IA PROFESSIONAL STEP LADDERS

INTERACTIVE SAFETY LABELS

- Easy-to-understand icons on safety labels provide quick-reference for multi-lingual crews.
- Scannable code offers destination for detailed safety instructions with do's and don'ts videos in three languages.

EASILY IDENTIFY LADDER TYPE

- Larger color-coded duty rating labels on the rail and molded on the ladder top make it easy to quickly identify load capacity.
- Standardized rail colors represent duty rating:
 - Type IA Fiberglass Step Ladders have orange rails.
- Yellow ladder tops and feet improve visibility and signal safety across the jobsite.
- Bold colors and graphics enhance safety practices.
