HAND TOOL DISPLAY PROGRAMS

DISPLAY 6 : 3/8", 1/2", 3/4" DRIVE IMPACT SOCKETS & ACCESSORIES

MSRP: \$5,500

SKU: K02006

WHAT'S INCLUDED IN THE PROGRAM:

- FREE: 1 short stand
- FREE: 200 hangers
- FREE: 1 short top shelf
- FREE: 1 long base shelf
- FREE: Shipping anywhere in the Continental USA
- Assembly assistance can be provided.
- A total value of \$500-\$600 of material and shipping

Part No.	Description	Size	Type	Qty.
3/8" DRIVE IMPACT SOCKETS

SAFETY INFORMATION

The Quality You Know™

Brighton-Best takes great care in the design and manufacture of our products to insure we are providing the best quality and safest tools possible. Safety is also about how tools are used properly to avoid injury while using our tools. Below is a list of suggested safety tips to assist you in the safe use of our tools. You should also rely on training, other safety information sources, your experience and common sense when using any tool.

HAND TOOLS

PLEASE USE CAUTION!

- Chrome and Industrial finish hand tools can break if overloaded or used for the wrong application.
- Damaged or broken hand tools or accessories can cause bodily injury.
- Always wear safety goggles to protect your eyes.

HANDLES

PLEASE USE CAUTION!

- Tool Breakage and slippage can occur and bodily injury can result. Improper use and maintenance of tools increases the risk of damage, breakage and slippage during use.
- Do not use pipes or other extensions to increase leverage on handles.

PLIERS/CUTTERS

PLEASE USE CAUTION!

- Never modify or alter pliers or any other tool.
- Do not use pipes or other extensions to increase leverage on pliers or cutting tools.
- Broken tips or cut materials can fly unpredictably and cause bodily injury.
- Always wear safety goggles to protect your eyes.

RATCHETS

PLEASE USE CAUTION!

- Do not use pipes or other extensions to increase leverage on the ratchet or flex bar.
- Do not use chrome sockets or drive tools with impact or power tools. Such use damages the tool and may result in bodily injury.
- Always wear safety goggles to protect your eyes.
- Mismatched, dirty or partially worn parts can cause ratchet to slip or break. Use only the correct socket and extension with the ratchet.
- Do not clean the ratchet by immersing in fluids. Non-sealed ratchet mechanisms can be cleaned by hand and lubricated with light oil.

SCREWDRIVERS

PLEASE USE CAUTION!

- Do not use a screwdriver as a pry bar, chisel or punch. Damage to the product and injury to the user can occur.
- Do not use screwdrivers with plastic handles near live wires or for electrical testing. Plastic handles do not provide insulation from electrical current. For electrical applications use only insulated screwdrivers designed for the purpose.
- Always wear safety goggles to protect your eyes.

SAFETY INFORMATION

The Quality You Know™

CHROME SOCKETS

PLEASE USE CAUTION!

- Use only the proper type of socket for the application. All chrome-plated sockets are for hand use only. Do not use chrome sockets or drive tools with impact or power tools. Such use damages the tool and may result in bodily injury.
- Do not use pipes or other extensions to increase leverage on the ratchet.
- Always wear safety goggles to protect your eyes.

IMPACT SOCKETS

PLEASE USE CAUTION!

- Use only the proper socket for the application. All impact sockets are for use with impact drivers only. Do not use impact sockets with chrome ratchets. Such use damages the tool and may result in bodily injury.
- Do not use pipes or other extensions to increase leverage on the ratchet.
- Always wear safety goggles to protect your eyes.

WRENCHES

PLEASE USE CAUTION!

- Do not use pipes or other extensions to increase leverage on the wrench. Such use damages the tool, and may also result in injury.
- Always wear safety goggles to protect your eyes.
- Do not over torque.
- Mismatched, dirty or partially worn parts can cause wrench to slip or break, and bodily injury may result.

HAMMERS

PLEASE USE CAUTION!

- Hammers can cause flying chips. Strike squarely and avoid glancing blows.
- Chipped, mushroomed or cracked hammers can cause flying chips that can result in bodily injury.
- Always use safety goggles to protect you eyes.
- Steel hammers can cause sparks during use. Do not use near flammable substances as spark can ignite substance, causing bodily injury.

LIFETIME WARRANTY

Brighton-Best International (BBI) Preferred Hand Tool products, except as otherwise specified, are warranted under normal use and service against defects in materials and workmanship. This warranty does not cover wear and tear from normal use or any damage or product failure caused in whole or part by misuse, abuse, or alteration as determined at BBI's sole judgment. Visit www.brightonbest.com for full warranty information.

DISPLAY RACKS TERMS & CONDITIONS

Merchandising displays provided by BBI must be utilized for the sole intent of displaying BBI Preferred® Tools only. If prior to 3 years you decide to remove the displays, BBI reserves the right to recoup either the physical display or a fee of \$300 per display at BBI's discretion. Visit Brightonbest.com under Preferred® Tools for instructional video on stand assembly. Visit www.brightonbest.com for full warranty information.
