

# JAT-126, 1/2" Composite Impact Wrench

## Product Images

---

## Description

---

The Jet JAT-126 1/2" Composite Impact Wrench delivers great power, light weight, and outstanding durability in a surprisingly short and incredibly well balance package. This tool packs in 800 ft.-lbs. of torque with reduced vibration and exceptional balance to give the user the control they want without losing the power they need to get the job done. This tool is great for general repair, general maintenance, and assembly work.

## Additional Information
